Ex parte DAVID BOTSTEIN et al.

Application 10/033,396

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on February 28, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matters requiring attention prior to docketing are identified below:

A review of the Image File Wrapper (IFW) indicates that an Information Disclosure Statement (IDS) was filed July 25, 2005. It is not apparent from the record whether the examiner considered the statement submitted or notified appellants of why their submission did not meet the criteria set forth in 37 CFR

Application 10/033,396

§§ 1.97 and 1.98. A communication notifying appellants of the Primary Examiner's decision is required.

Accordingly, it is

ORDERED that the application is returned to the

Examiner:

1. for consideration of the IDS filed July 25, 2005;
2. for appropriate notification to appellants regarding the Primary Examiner's decision; and
3. for such further action as may be appropriate.
